IMAS BUSINESS SCHOOL

MBA GLOBAL

Website Developer Specification

MBA with Extended Diploma in Leadership & Strategic Management Programme (EDLSMP)

DOCUMENT PURPOSE

A production-ready content, UX, CMS, SEO, accessibility and responsive implementation specification for the MBA Global programme page on imas.ac.in.

SOURCE CONTROL

Programme-specific claims in this specification are based on the official IMAS MBA Global programme document and the official IMAS fee document available at the time of preparation. Items not supported by those sources are deliberately marked for CMS/IMAS validation rather than being invented.

Prepared: September 2026

1. PROJECT OBJECTIVE

Create a premium, conversion-focused MBA Global programme page that clearly explains the two-stage international pathway: the initial academic year with IMAS Kolkata and the subsequent MBA Top-Up pathway at a UK partner university, subject to fulfilment of the stated requirements.

The page must distinguish the IMAS first-year PGDM component, the Edexcel BTEC Extended Diploma in Leadership & Strategic Management Programme (EDLSMP), and the UK MBA Top-Up progression. The experience should communicate international progression without implying automatic admission, guaranteed UK progression, guaranteed visa approval, or guaranteed employment.

Primary UX objectives

- Explain the programme pathway in less than 60 seconds through a visual architecture.
- Make the IMAS → qualification → UK Top-Up relationship unambiguous.
- Present eligibility, progression conditions, fees and international costs transparently.
- Provide strong conversion paths: Apply Now, Download Brochure, Talk to an Admissions Counsellor.
- Support SEO for MBA Global, international MBA pathway and UK MBA Top-Up searches.
- Make all changeable information CMS-editable.

2. PAGE INFORMATION ARCHITECTURE

Section	Recommended placement	Primary purpose
Hero	Top of page	Programme identity + conversion
Programme Snapshot	Immediately below hero	Fast facts
Why MBA Global	Early page	Value proposition
Programme Architecture	High priority	India → qualification → UK pathway
IMAS First Year	Before curriculum	Explain academic foundation
EDLSMP	After IMAS first year	Explain professional qualification
UK MBA Top-Up	Core section	Explain progression and 60-credit pathway
Curriculum	Mid-page	Academic structure; CMS-driven
International Experience	Mid-page	Global exposure; only verified claims
Expert Testimonials	Mid/late page	Third-party credibility
Eligibility & Selection	Late page	Requirements
Fees & Cost Planning	Late page	India + UK cost disclosure
Career & Outcomes	Late page	Career preparation without guarantees
FAQs	Before final CTA	Resolve objections
Final CTA	Bottom	Conversion
SEO / Schema / Technical	Implementation layer	Search + performance

3. HERO SECTION

H1: MBA GLOBAL

Recommended supporting headline: Build Management Expertise in India. Progress Towards an International MBA Pathway in the UK.

Recommended supporting copy: A 2-year MBA Global pathway combining first-year management education at IMAS Kolkata with the Extended Diploma in Leadership & Strategic Management Programme (EDLSMP) and a route towards an MBA Top-Up at a UK partner university, subject to fulfilment of the stated requirements.

Hero badges

Badge	CMS field
2-Year MBA Global Pathway	programme_duration
1 Year at IMAS Kolkata	india_stage
UK MBA Top-Up Pathway	uk_stage
EDLSMP + First-Year PGDM	qualifications
International Progression	positioning

Primary CTAs

- Apply Now
- Download MBA Global Brochure
- Talk to an Admissions Counsellor

Hero disclaimer: UK university, progression, credit, entry, visa, tuition and other international arrangements are subject to applicable requirements, partner-university rules and current programme arrangements.

4. PROGRAMME SNAPSHOT

Item	Website display	Source status
Programme	MBA Global	Official MBA Global document
Academic duration	2 years	Official MBA Global document
Initial location	IMAS Kolkata	Official MBA Global document
UK stage	MBA Top-Up at UK partner university	Official MBA Global document
First-year qualifications	EDLSMP + first-year PGDM	Official MBA Global document
UK credit pathway	60 credits towards MBA Top-Up	Official MBA Global document
Intake	60	Official 2025 fee document; validate current intake
India-stage fee	₹3,66,600 in 2025-26 fee document	Historical/current-status validation required
UK tuition	GBP 10,000–18,000 per annum in 2025-26 fee document	Validate current partner/year
Living cost	Approx. GBP 12,000 per annum in 2025-26 fee document	Planning estimate; validate current
IELTS	Band 6.5 stated in 2025 fee document	Validate current requirement

Important implementation rule

Do not display the 2025-26 fee figures as a current 2026-27 fee schedule unless IMAS formally confirms them. Store them as CMS fields with an academic-year/version label.

5. WHY MBA GLOBAL

Recommended positioning blocks

- International pathway: presents a structured India-to-UK progression model.
- Management foundation: first-year PGDM component develops management and strategic skills.
- Professional qualification: EDLSMP adds a leadership and strategic management qualification.
- Global business orientation: official programme material describes a focus on global markets and trends.
- UK Top-Up pathway: successful fulfilment of stated requirements makes the learner eligible for an award of 60 credits towards the MBA Top-Up at the UK partner university.

Developer note: do not add generic claims such as “guaranteed UK admission”, “guaranteed MBA degree”, “guaranteed visa”, “guaranteed placement” or “worldwide recognition” unless supported by current official documentation.

6. PROGRAMME ARCHITECTURE

Stage	Visual label	Description
01	IMAS KOLKATA	Initial first year of the 2-year academic course
02	FIRST-YEAR PGDM	IMAS management qualification component
03	EDLSMP	Extended Diploma in Leadership & Strategic Management Programme from Edexcel BTEC, subject to requirements
04	60-CREDIT PATHWAY	Eligibility for an award of 60 credits towards MBA Top-Up after successful fulfilment of requirements
05	UK PARTNER UNIVERSITY	MBA Top-Up stage, subject to partner-university requirements

UI recommendation: use a horizontal five-stage journey on desktop and a vertical timeline on mobile. Each stage should expand to reveal supporting text.

7. IMAS FIRST YEAR

Section headline: START YOUR GLOBAL MANAGEMENT JOURNEY AT IMAS KOLKATA

Official programme material states that the initial first year is with IMAS Kolkata. After successful fulfilment of requirements, the learner is awarded the EDLSMP from Edexcel BTEC as well as the first-year PGDM. The first-year qualification pathway is then linked to eligibility for an award of 60 credits towards the MBA Top-Up at the UK partner university.

Content blocks

- Management education and strategic business orientation.
- Focus on international business success, global markets and trends.
- First-year PGDM component.
- EDLSMP professional qualification component.
- Progression readiness for the UK MBA Top-Up stage.

Curriculum implementation

The currently retrieved official MBA Global source establishes the 9-unit structure but does not provide the full unit-by-unit curriculum in the available web text. Therefore, the developer must not invent subject names. Build the curriculum component as a CMS-driven 9-unit structure with 03 Core Units + 06 Specialist Units, and populate the exact unit names from the current approved IMAS curriculum source.

CMS field	Type	Required
unit_number	Integer	Yes
unit_title	Text	Yes
unit_type	Core / Specialist	Yes
description	Rich text	Optional
learning_outcomes	Rich text	Optional
active	Boolean	Yes

8. EDEXCEL BTEC / EDLSMP

Section headline: LEADERSHIP & STRATEGIC MANAGEMENT QUALIFICATION

The official MBA Global document describes the EDLSMP as a post-graduate professional qualification from Edexcel BTEC. It states that the qualification combines modern management techniques with development of personal skills required by managers, including decision making and team building. It also describes the qualification as comprising 9 units: 03 core units supported by 06 specialist units.

Recommended UI

Component	UI treatment
Edexcel BTEC	Qualification badge / information card
03 Core Units	Expandable unit list
06 Specialist Units	Expandable unit list
Management techniques	Icon + short description
Decision making	Skill card
Team building	Skill card
Global management skills	Skill card

Compliance note: retain the exact qualification naming supplied by IMAS. Do not change the awarding-body terminology or imply that EDLSMP itself is the MBA degree.

9. UK MBA TOP-UP PATHWAY

Section headline: PROGRESS TOWARDS YOUR MBA IN THE UK

Official programme material states that successful fulfilment of requirements following the first-year stage makes the learner eligible for an award of 60 credits towards the Master of Business Administration (Top-Up) programme at the UK partner university.

Recommended pathway card

What the page should say	Implementation guidance
UK MBA Top-Up	Use as the stage label
60 credits	Display prominently, with the qualifying wording
Partner university	CMS field; do not hard-code unless current arrangement is approved
Progression	Use “eligible for an award of 60 credits towards…” rather than automatic progression wording
Conditions	Link to detailed progression/partner requirements

Mandatory legal/accuracy language

“Progression to the UK MBA Top-Up stage is subject to successful fulfilment of applicable academic, institutional, partner-university and other stated requirements. Partner university, programme, credit, fee, intake and other arrangements may be subject to change.”

10. INTERNATIONAL EXPERIENCE / UK STAGE

The page should visually separate international progression from any optional international immersion or study-tour activity. Do not imply that an international immersion trip is included in the MBA Global pathway unless current programme documentation explicitly confirms this.

If IMAS confirms current international activities, use CMS-driven cards for

- Country / city
- Partner institution
- Academic exposure
- Business / industry exposure
- Duration
- Included / excluded cost
- Eligibility / participation conditions
- Academic-year availability

UK destination module

Use a premium UK-focused visual module showing the progression from IMAS Kolkata to the UK partner stage. The module should not use stock imagery in a way that suggests a specific university campus unless the image is approved and accurately labelled.

11. EXPERT TESTIMONIALS

Section heading: WHAT INDUSTRY EXPERTS SAY

Placement: after “Why MBA Global” and before detailed curriculum. Use two video cards side-by-side on desktop and stacked on mobile.

CMS field	Purpose
Expert Name	Speaker identity
Designation	Professional designation
Organisation	Organisation / institution
Expertise	Subject-matter expertise
YouTube URL	Video source
Thumbnail	Custom preview image
Short Description	2–3 line summary
Display Order	Ordering
Active / Inactive	Publishing control

Suggested themes

- Video 01 — Why International Management Education Matters: global markets, leadership, strategic thinking and employer expectations.
- Video 02 — Building a Global Management Career: international exposure, adaptability, leadership and future management roles.

Technical: no autoplay. Lazy-load YouTube iframe only after user interaction. Use a poster image and play button to protect Core Web Vitals.

12. CAREER & PROFESSIONAL OUTCOMES

Section headline: PREPARE FOR A GLOBAL MANAGEMENT CAREER

The website should frame career outcomes as potential pathways rather than guaranteed jobs. Career content should focus on skills, functions and sectors associated with management education and international business.

Career cluster	Indicative roles
General Management	Management Trainee, Business Executive, Management Associate
Strategy & Business Development	Business Development Executive, Strategy Associate, Growth Roles
Marketing	Marketing Executive, Brand Executive, Digital Marketing Roles
Finance	Financial Analyst, Finance Executive, Business Finance Roles
Human Resources	HR Executive, Talent Acquisition, Learning & Development
Operations	Operations Executive, Process / Business Operations Roles
International Business	International Business Executive, Export / Import Roles
Consulting & Advisory	Business Consulting / Advisory entry-level roles

Add a footnote: “Career pathways are indicative and do not constitute a guarantee of employment or salary.”

13. ELIGIBILITY & ADMISSION

Eligibility must be maintained as a CMS-controlled block because the official MBA Global fee document retrieved for this specification states a specific requirement that may be academic-year dependent: graduation in any stream with at least 70% from a recognised university plus minimum IELTS Band 6.5.

Field	2025-26 source value	Publication rule
Academic qualification	Graduate in any stream	Validate current cycle
Minimum academic score	70%	Validate current cycle
English requirement	IELTS Band 6.5	Validate current cycle
Selection / progression conditions	See current programme/partner requirements	Do not invent

Recommended admission flow

Step	Label
01	Enquiry
02	Application
03	Counselling & document review
04	Selection / assessment as applicable
05	Admission confirmation
06	IMAS first-year commencement
07	Progression review for UK stage

Do not copy the regular PGDM admission criteria into MBA Global. The regular PGDM page has different eligibility/selection wording and must remain programme-specific.

14. FEE & COST TRANSPARENCY

The official IMAS fee document retrieved for this specification is marked “Updated on 10.04.2025” and therefore should not be treated as an automatically current 2026-27 fee schedule.

Cost component	Official 2025-26 source	CMS implementation
First year at IMAS Campus	INR 3,66,600	india_fee
Second year at UK partner	GBP 10,000–18,000 per annum	uk_tuition_range
Cost of living	Approx. GBP 12,000 per annum additional	uk_living_estimate
Visa / travel / insurance	As per actual expenses	international_actual_costs

Additional charges noted in the same 2025-26 fee document include AICTE Application/Development/Registration Fee, examination fee of ₹1,500 per semester, one-time uniform charges of ₹19,600, one-time sports & cultural fees of ₹2,000, and charges for education tours, international immersion and business enclaves. These must be separately validated and not silently rolled into the headline fee.

Recommended fee UI

- India stage fee card
- UK tuition range card
- Living-cost planning card
- Visa/travel/insurance card
- Additional charges accordion
- Last updated / academic year label
- Downloadable fee schedule

15. CMS / ADMIN DATA MODEL

Entity	Key fields
Programme	name, short_name, duration, intake, status, hero_copy
Pathway Stage	stage_number, title, location, description, conditions, order
Qualification	name, awarding_body, unit_count, description, status
Curriculum Unit	unit_no, title, type, stage, description, outcomes
UK Partner	institution_name, country, programme_name, website, active, effective_date
Eligibility	academic_requirement, score, english_requirement, other_conditions, effective_date
Fees	academic_year, india_fee, uk_fee_range, living_cost, other_costs, notes
Testimonial	name, designation, organisation, video_url, thumbnail, order, active
FAQ	question, answer, category, order, active
SEO	title, meta_description, canonical, OG_title, OG_description
CTA	label, destination, tracking_event, active

Rule: every item that can change between academic years must be CMS-editable and versioned by effective date.

16. SEO SPECIFICATION

Recommended URL

/programs/mba-global

Suggested SEO title

MBA Global | International MBA Pathway from India to UK | IMAS

Suggested meta description

Explore MBA Global at IMAS — a 2-year pathway combining first-year management education in Kolkata, EDLSMP and a route towards an MBA Top-Up at a UK partner university, subject to requirements.

Primary keyword cluster

- MBA Global
- MBA Global Kolkata
- MBA Global in Kolkata
- International MBA
- International MBA programme
- MBA with UK pathway
- MBA Top-Up UK
- UK MBA Top-Up from India
- MBA Global admission
- MBA Global eligibility
- MBA Global fees
- MBA Global programme
- MBA Global course in Kolkata

Avoid keyword stuffing. Use one primary cluster for the page and build supporting pages/articles for broader queries.

Suggested supporting content

- MBA Global vs traditional MBA
- What is an MBA Top-Up?
- Study MBA in UK after graduation
- Cost of studying MBA in UK
- IELTS requirements for UK study
- International management careers

17. STRUCTURED DATA & INTERNAL LINKING

Recommended structured data

Schema	Use
Course	Primary programme page
EducationalOccupationalProgram	If supported by the site’s schema strategy
FAQPage	Only for visible FAQ content
BreadcrumbList	Programme hierarchy
Organization	IMAS institutional identity

Important: do not mark up unsupported claims, hidden content or unverified fee/placement data. Schema values must match visible page content.

Internal links

- MBA Global → Admissions
- MBA Global → Fees
- MBA Global → Education Loan
- MBA Global → Scholarship
- MBA Global → Hostel / Student Support
- MBA Global → Contact
- MBA Global → Brochure
- MBA Global → Related management programmes

18. RESPONSIVE, ACCESSIBILITY & PERFORMANCE

Requirement	Implementation
Mobile hero	Stack headline, pathway badges and CTAs
Pathway timeline	Vertical timeline on mobile
Curriculum tabs	Horizontal swipe / accessible tabs
Fee cards	Single-column stack on mobile
Testimonials	Stack video cards; lazy-load
CTA	Fixed bottom mobile CTA with safe-area spacing
Keyboard access	All tabs, accordions and buttons keyboard-operable
ARIA	Use correct tablist/tab/tabpanel, button and accordion semantics
Images	Descriptive alt text; decorative images empty alt
Contrast	WCAG-conscious text/button contrast
Performance	WebP/AVIF where appropriate, lazy loading, deferred third-party scripts
Video	No autoplay; click-to-load YouTube
Core Web Vitals	Optimise LCP, CLS and INP

Do not allow the international/UK visuals to dominate the page so heavily that the academic pathway becomes secondary. The conversion experience must remain information-led.

19. FAQ CONTENT FRAMEWORK

What is MBA Global at IMAS?

A 2-year academic pathway beginning with the first year at IMAS Kolkata and providing a route towards an MBA Top-Up at a UK partner university, subject to the stated requirements.

What qualifications are awarded in the first year?

The official programme document states that, after successful fulfilment of requirements, learners are awarded the Extended Diploma in Leadership & Strategic Management Programme (EDLSMP) from Edexcel BTEC as well as the first-year PGDM.

What is the 60-credit pathway?

The official document states that the first-year qualification pathway makes the learner eligible for an award of 60 credits towards the MBA Top-Up programme at the UK partner university, subject to successful fulfilment of requirements.

Is the UK progression automatic?

No. Website copy must state that progression is subject to applicable academic, institutional and partner-university requirements.

What is the eligibility for MBA Global?

The 2025 fee document states graduation in any stream with at least 70% from a recognised university and a minimum IELTS Band 6.5. Current-year requirements must be validated before publication.

How much does the programme cost?

Display the current approved fee schedule only. The 2025-26 source listed INR 3,66,600 for the first year in India and GBP 10,000–18,000 per annum for the UK partner stage, plus living and other actual costs.

Does the programme include UK living expenses?

The 2025-26 fee document lists an average living-cost estimate separately. The site should not describe this as an included fee.

Will the university partner remain the same?

Partner arrangements can change. The partner name should therefore be a CMS-controlled field with an academic-year/effective-date control.

20. NON-NEGOTIABLE DEVELOPER REQUIREMENTS

- Do not hard-code academic-year-dependent fees, eligibility, partner university details, intake, IELTS requirements or other changeable programme data.
- Do not import regular PGDM curriculum, admission criteria or placement claims into MBA Global without explicit programme-specific approval.
- Do not describe UK progression as automatic or guaranteed.
- Do not describe the 60-credit pathway as the MBA degree itself.
- Do not claim visa approval, university admission, employment, salary or placement as guaranteed.
- Maintain a visible disclaimer around partner-university and international-stage requirements.
- All programme content must be editable through CMS.
- All YouTube videos must lazy-load and must not autoplay.
- All accordions/tabs must be accessible and keyboard-operable.
- All images must have appropriate alt text.
- Use analytics events for Apply Now, Brochure Download, Counsellor CTA, Fee View, UK Pathway Click and Video Play.
- Use UTM-preserving links for paid campaigns.
- Implement canonical URL and Open Graph metadata.
- Validate all claims with the current IMAS-approved source before production release.

21. ANALYTICS EVENT PLAN

Event	Trigger
mba_global_apply_click	Apply Now clicked
mba_global_brochure_download	Brochure download
mba_global_counsellor_click	Talk to counsellor
mba_global_pathway_view	UK pathway section viewed
mba_global_fee_view	Fee section enters viewport
mba_global_testimonial_play	Expert video started
mba_global_uk_partner_click	Partner detail clicked
mba_global_form_start	Application/enquiry form started
mba_global_form_submit	Application/enquiry submitted

22. SOURCE CONTROL & VALIDATION MATRIX

Content area	Source basis	Status
MBA Global pathway	Official MBA Global PDF	Source-supported
2-year structure	Official MBA Global PDF	Source-supported
IMAS first year	Official MBA Global PDF	Source-supported
EDLSMP	Official MBA Global PDF	Source-supported
09-unit structure / 03 + 06	Official MBA Global PDF	Source-supported
60-credit UK pathway	Official MBA Global PDF	Source-supported
Intake 60	Official 2025-26 fee PDF	Academic-year validation required
₹3,66,600 India fee	Official 2025-26 fee PDF	Academic-year validation required
GBP 10,000–18,000 UK fee	Official 2025-26 fee PDF	Academic-year/partner validation required
GBP 12,000 living estimate	Official 2025-26 fee PDF	Planning estimate; validate
IELTS 6.5	Official 2025-26 fee PDF	Academic-year validation required
Detailed curriculum	Not present in retrieved web text	Insert current approved curriculum
Current UK partner details	Not treated as permanently fixed	CMS + current validation required
Placement figures	Not established by MBA Global source	Do not publish without programme-specific approval

Reference documents: official IMAS MBA Global programme document and official IMAS regular-programme fee document. The official MBA Global document describes the pathway and qualifications; the fee document is explicitly updated 10.04.2025 and must be revalidated for the current admission cycle.

23. PRE-LAUNCH CHECKLIST

Check	Owner	Status
Current MBA Global curriculum approved	Academic	☐
Current UK partner confirmed	Management / International Office	☐
Current UK Top-Up conditions confirmed	International Office	☐
Current fee schedule approved	Finance / Management	☐
Current IELTS / eligibility criteria confirmed	Admissions	☐
Current intake confirmed	Admissions	☐
